Testing out Knitr on a Markdown document.

```r
install.packages("maps")
```

```
## Installing package into '/home/erikbeck/R/x86_64-redhat-linux-gnu-library/3.5'
## (as 'lib' is unspecified)
```

```
## --- Please select a CRAN mirror for use in this session ---
```

```r
library("maps")
map('usa')
```
